Learning for life

Year 2011 - 12

Computer graphics - 2Create a Story

This interesting software enables us to tell a story using a number of frames. After drawing is over, the children have to write a story line to explain the same.

Ex 1:

4 slides

Frame no 1: My name is Eshita. I am 6 years old.

Frame no 2: I like to eat ice-creams

Frame no 3: And also a lot of biscuits.

Frame no 4: But I like the cake the most.

Ex 2:

Frame no 1: I live in Mumbai. It is very big city (lettering will have effect)

Frame no 2: Mumbai has tall and beautiful buildings.

Frame no 3: It is also full of many cars.

Frame no 4: We have many beaches also.

Frame no 5: I love my city.
